

**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. SRIKANT VISWANADHAM, Reg. No. 60, 111 on 10/28/08.

2. The application has been amended as follows:

In Claim 4, following "each pair," in line 17 of the claim, --wherein, each of said power-input conductors has an electric-connection portion protruding outside said insulation housing to be electrically connected to a corresponding one of the power input sections of said circuit assembly,-- has been inserted.

3. The following is an examiner's statement of reasons for allowance:

Applicant has rewritten all previously objected claims having allowable subject matter into independent form, thus rendering said claims and all claims dependent therefrom allowable over the art of record.
